General Statutes of North Carolina, as published by the General Assembly	S.L. 2012-130, s. 7(c) — second act in the lineage	21 September 2026, 02:03 UTC	ef1ce9b649e0033fb7c69cac - 2a0c365fb046af3b1a14059c - cb2053af4dcea2c8

A Retirement System is hereby established and placed under the management of the Board of Trustees for the purpose of providing retirement allowances and other benefits under the provisions of this Chapter for teachers and State employees of the State of North Carolina. The Retirement System so created shall be established as of the first day of July, 1941.

This Retirement System is a governmental plan, within the meaning of Section 414(d) of the Internal Revenue Code. Therefore, the nondiscrimination rules of Sections 401(a)(5) and 401(a)(26) of the Code do not apply. This System shall have the power and privileges of a corporation and shall be known as the "Teachers' and State Employees' Retirement System of North Carolina," and by such name all of its business shall be transacted, all of its funds invested, and all of its cash and securities and other property held.

Consistent with Section 401(a)(1) of the Internal Revenue Code, all contributions from participating employers and participating employees to this Retirement System shall be made to funds held in trust through trust instruments that have the purposes of distributing trust principal and income to retired members and their beneficiaries and of paying other definitely determinable benefits under this Chapter, after meeting the necessary expenses of administering this Retirement System. Neither the trust corpus nor income from this trust can be used for purposes other than the exclusive benefit of members or their beneficiaries, except that employer contributions made to the trust under a good faith mistake of fact may be returned to an employer, where the refund can occur within less than one year after the mistaken contribution was made, consistent with the rule adopted by the Board of Trustees. The Retirement System shall have a consolidated Plan document, consisting of Article V, Section 6(2) of the North Carolina Constitution, relevant statutory provisions in this Chapter; associated regulations in the North Carolina Administrative Code, substantive and procedural information on the official forms used by the Retirement System, and policies and minutes of the Board of Trustees.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
