- § 135-48.24(a) If, after exhaustion of internal appeal handling outlined in the contract with the Claims Processor, any person is aggrieved, then the Claims Processor shall bring the matter to the attention of the Executive Administrator. The Executive Administrator shall promptly decide whether the subject matter of the internal appeal is a determination subject to external review under Part 4 of Article 50 of Chapter 58 of the General Statutes. The following shall apply to decisions made under this subsection:
- (1) The Executive Administrator shall inform the aggrieved person and the aggrieved person's provider of the decision and shall provide the aggrieved person notice of the aggrieved person's right to appeal that decision as provided in this subsection.
 - (2) If the Executive Administrator decides that the subject matter raised on internal appeal is not a determination subject to external review, then the Executive Administrator shall have the authority to make a binding decision on the matter.
 - (3) If the Executive Administrator decides that the subject matter raised on internal appeal is a determination subject to external review, as provided for under subsection (b) of this section, then that decision may be contested by the aggrieved person under Chapter 150B of the General Statutes. The person contesting the decision may proceed with external review pending a decision in the contested case under Chapter 150B of the General Statutes.
- § 135-48.24(b) The State Treasurer, in consultation with the Board of Trustees, shall adopt and implement utilization review and internal grievance procedures that are substantially

equivalent to those required under G.S. 58-50-61 and G.S. 58-50-62. External review of determinations shall be conducted in accordance with Part 4 of Article 50 of Chapter 58 of the General Statutes. As used in this section, "determination" is a decision by the State Treasurer, or the Plan's designated utilization review organization administered by or under contract with the Plan that an admission, availability of care, continued stay, or other health care service has been reviewed and, based upon information provided, does not meet the Plan's benefit offerings, or requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness, and the requested service is therefore denied, reduced, or terminated.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
