General Statutes of North Carolina, as published by the General Assembly	No amendment history on record	21 September 2026, 03:38 UTC	acfbf9e3134a63c604648660 - 869cba94dd53f762c9f47260 - 366bce455c5f92ea

- § 135-48.38(a)** Benefits payable for covered expenses under this Plan will be reduced by any benefits payable for the same covered expenses under Medicare, so that Medicare will be the primary carrier except where compliance with federal law specifies otherwise.
- § 135-48.38(b)** For those participants eligible for Medicare, the Plan will be administered on a "carve out" basis. The provisions of the Plan are applied to the charges not paid by Medicare (Parts A & B). In other words, those charges not paid by Medicare would be subject to the deductible and coinsurance of the Plan just as if the charges not paid by Medicare were the total bill.
- § 135-48.38(c)** For those individuals eligible for Part A (at no cost to them), benefits under this program will be reduced by the amounts to which the covered individuals would be entitled to under Parts A and B of Medicare, even if they choose not to enroll for Part B.
- § 135-48.38(d)** Notwithstanding the foregoing provisions of this section or any other provisions of the Plan, the State Treasurer may enter into negotiations with the Centers for Medicare and Medicaid Services, U.S. Department of Health and Human Services, in order to secure a more favorable coordination of the Plan's benefits with those provided by Medicare, including but not limited to, measures by which the Plan would provide Medicare benefits for all of its Medicare-eligible members in return for adequate payments from the federal government in providing such benefits. Should such negotiations result in an agreement favorable to the Plan and its Medicare-eligible

members, the State Treasurer may, after consultation with the Board of Trustees, implement such an agreement which shall supersede all other provisions of the Plan to the contrary related to its payment of claims for Medicare-eligible members.

§ 135-48.38(e)

Notwithstanding subsections (a), (b), and (c) of this section, the State Treasurer may contract for coverage in lieu of current Plan medical and prescription drug benefits for Medicare retirees or to supplement Medicare benefits and may, after consultation with the Board of Trustees, implement such an agreement, which shall supersede all other provisions of the Plan to the contrary related to its payment of claims for Medicare-eligible members. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985 (Reg. Sess., 1986), c. 1020, s. 18; 1987, c. 857, s. 21; 1989, c. 752, s. 22(o); 2008-168, ss. 1(a), 3(a), (o); 2011-85, ss. 2.6(g), 2.10.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
