In setting premiums for firefighters, rescue squad workers, and members of the National Guard, and their eligible dependents, the Plan shall establish rates separate from those affecting other members of the Plan. These separate premium rates shall include rate factors for incurred but unreported claim costs, for the effects of adverse selection from voluntary participation in the Plan, and for any other actuarially determined measures needed to protect the financial integrity of the Plan for the benefit of its served employees, retired employees, and their eligible dependents. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
