§ 135-93(a) Each member may elect to reduce his compensation by the amount of his contribution to the Supplemental Retirement Income Plan and that amount shall be held in the member's account. Members electing such a reduction in compensation may authorize payroll deductions for making contributions to the Plan.

§ 135-93(b) The State and any of its political subdivisions may make contributions to the Supplemental Retirement Income Plan on behalf of any of its members, provided these contributions are nondiscriminatory in accordance with the Internal Revenue Code of 1954 as amended, and are duly appropriated by their governing bodies, and the contributions are held in the member's account. An employer may make contributions to the Plan on behalf of its members who are eligible for the Plan under subdivisions (1) through (9) of G.S. 135-92(a) without making the same, or any, contributions on behalf of members who are eligible under subdivisions (10) and (11) of G.S. 135-92(a) and doing so shall not be considered out of compliance with this subsection. Employer contributions to the Plan are declared expenditures for a public purpose.

§ 135-93(c) The Department of State Treasurer and Board of Trustees shall establish maximum annual additions that may be made to a member's account and provide for multiple plan reductions in accordance with the Internal Revenue Code of 1954 as amended. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
