General Statutes of North Carolina, as published by the General Assembly	No amendment history on record	21 September 2026, 05:36 UTC	4056453144f9d6ec7d398bc0 - eab01f1e8008282247670647 - 53a518dbf34973a6

Prior to any action of the Board on a transportation project, the Department shall inform all municipalities, counties, and utility providers affected by a planned transportation project and request each to submit within 45 days a written resolution expressing their views on the project. A municipality or county may designate a Transportation Advisory Committee to submit its response to the Department's request for a resolution. Upon receipt of a written resolution from all affected parties or their designees, or the expiration of the 45-day period, whichever occurs first, the Board may take action. The Department and the Board shall consider, but shall not be bound by, the views of the affected parties or their designees on each transportation project. The failure of an affected party to express its views within the time provided shall not prevent the Department or the Board from taking action. The Department shall not be required to send notice under this section if it has already received a written resolution from the affected party on the planned transportation project. "Action of the Board", as used in this section, means approval by the Board of: the Transportation Improvement Program and amendments to the Transportation Improvement Program; the Secondary Roads Paving Program and amendments to the Secondary Roads Paving Program; and individual applications for access and public service road projects, contingency projects, small urban projects, and spot safety projects that exceed two hundred fifty thousand dollars (\$250,000). The 45-day notification provision may be waived upon a finding by the Secretary of Transportation that emergency action is required. Such findings must be reported to the Joint Legislative Transportation Oversight Committee. (1998-169, s. 3; 2016-90, s. 1; 2017-57, s. 34.4A(a).)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
