

ARTICLE 15 - RAILROADS

To regulate crossings and to abolish grade crossings.

The Department may require the raising or lowering of any tracks or roadway at any grade crossing in a road or street not forming a link in or part of the State highway system and designate who shall pay for the same by partitioning the cost of said work and the maintenance of such crossing among the railroads and municipalities interested in accordance with the formula provided for grade crossing alterations or eliminations on the State highway system in G.S. 136-20(b).

FULL SECTION

N.C. Gen. Stat. § 136-195 (1998).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
