The Department of Transportation is authorized to provide assistance to short-line railroads to continue and enhance common carrier rail service in the State so as to assist in economic development and access to ports and military installations. Assistance under this section may include funds from the Rail Industrial Access Program, the Short Line Infrastructure Access Program, and any other programs that may exist or be established for these purposes. Grants under this section shall not exceed fifty percent (50%) of the nonfederal share and must be matched by equal or greater funding from the applicant. (2011-145, s. 28.13; 2016-94, s. 35.21(b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
