General Statutes of North Carolina, as published by the General Assembly	S.L. 2009-266, s. 24 — fourth act in the lineage	21 September 2026, 02:13 UTC	9c547dd235aaab5963b51e03 - eea326725808d9072198ee9b - 54d1c9eb0a39a448

§ 136-66.5(a)

The Department of Transportation is authorized to enter into contracts with municipalities for improvement projects which are a part of an overall plan authorized under the provisions of section 135 of Title 23 of the United States Code, the purpose of which is to facilitate the flow of people and goods in urban areas. In connection with these contracts, the Department of Transportation and the municipalities are authorized to enter into contracts for improvement projects on the municipal system of streets, and pursuant to contract with the municipalities, the Department of Transportation is authorized to construct or to let to contract the said improvement projects on streets on the municipal street system or other transportation system; provided that no portion of the cost of the improvements made on the municipal system shall be paid from Department of Transportation funds except the proportionate share of funds received from the United States Department of Transportation and allocated for the purposes set out in section 135 of Title 23 of the United States Code. Pursuant to contract with the Department of Transportation, the municipalities may construct or let to contract the said improvement projects on the municipal system and the Department of Transportation is authorized to pay over to the municipalities the proportionate share of funds received pursuant to section 135 of Title 23 of the United States Code; provided that no portion of the costs of the improvements made on the municipal system shall be paid for from the State Highway Fund except those received from the United States Department of Transportation and allocated for the purpose set out in section 135 of Title 23 of the United States Code.

§ 136-66.5(b)

The municipalities are authorized to enter into contracts with the Department of Transportation for improvement projects which are a part of an overall plan authorized under the provisions of section 135 of Title 23 of the United States Code, the purpose of which is to facilitate the flow of traffic in urban areas, on the State highway system streets within the municipalities with the approval of the United States Department of Transportation. Pursuant to contract for the foregoing improvement projects, the municipalities are authorized to construct or let to contract the said improvement projects and the Department of Transportation is authorized to reimburse the municipalities for the cost of the construction of the said improvement projects.

§ 136-66.5(c)

The municipalities in which improvements are made pursuant to section 135 of Title 23 of the United States Code shall provide proper maintenance and operation of such completed projects and improvements on the municipal system streets and other transportation infrastructure or will provide other means for assuring proper maintenance and operation as is required by the Department of Transportation. In the event the municipality fails to maintain such project or provide for their proper maintenance, the Department of Transportation is authorized to maintain the said projects and improvements and deduct the cost from allocations to the municipalities made under the provisions of G.S. 136-41.1.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
