N.C.G.S. § 136-89.220.

Reciprocal toll enforcement agreements.

SOURCE General Statutes of North Carolina, as published by the General Assembly	LAST AMENDMENT IN THIS TEXT No amendment history on record	RETRIEVED 21 September 2026, 04:48 UTC	SOURCE FINGERPRINT b9550969215143baed701263 - 455e5ff82a4df5ed5a23cebd - 82d890c683231feb

The Authority may enter into reciprocal agreement with other tolling jurisdictions to enforce toll violations. Such an agreement shall provide that, when another toll agency certifies that the registered owner of a vehicle registered in this State has failed to pay a toll, processing fee, or civil penalty due to that toll agency, the unpaid toll, processing fee, or civil penalty may be enforced by the Authority placing a renewal block as if it were an unpaid toll, processing fee, or civil penalty owed to this State under G.S. 136-89.217. Such agreement shall only be enforceable, however, if all of the following are true:

The other toll agency has its own effective reciprocal procedure for toll violation enforcement and does, in fact, reciprocate in enforcing toll violations within this State by withholding the registration renewal of registered owners of motor vehicles from the state of the other toll agency.

The other toll agency provides due process and appeal protections to avoid the likelihood that a false, mistaken, or unjustified claim will be pursued against the owner of a vehicle registered in this State.

The owner of a vehicle registered in this State may present evidence to the other toll agency by mail or other means to invoke rights of due process without having to appear personally in the jurisdiction where the violation allegedly occurred.

The reciprocal violation enforcement arrangement between the Authority and the other toll agency provides that each party shall charge the other for costs associated with registration holds in their respective jurisdictions. (2012-85, s. 11.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
