General Statutes of North Carolina, as published by the General Assembly	c. 464, s. 7.1 — fourth act in the lineage	21 September 2026, 05:26 UTC	d890b101bbf46acc8f8beee4 - a1f2dff67937f832c0195455 - aeaf0004c9833a48

In connection with the development of any controlled-access facility the Department of Transportation is authorized to plan, designate, establish, use, regulate, alter, improve, maintain, and vacate local service or frontage roads and streets or to designate as local service or frontage roads and streets any existing road or street, and to exercise jurisdiction over service or frontage roads in the same manner as is authorized over controlled-access facilities under the terms of this Article, if in its opinion such local service or frontage roads and streets are necessary or desirable; provided, however that after a local service or frontage road has been established, the same shall not be vacated or abandoned in such a manner as to reduce access to the facility without the consent of the abutting property owners or the payment of just compensation, so long as the controlled-access facility is maintained as such facility, and the Department of Transportation shall not have any authority to control or restrict the right of access of abutting property owners from their property to such local service or frontage roads or streets without the property owners' consent or the payment of just compensation, except such authority as the Department of Transportation has with respect to primary and secondary roads under the police power. Such local service or frontage roads or streets shall be of appropriate design, and shall be separated from the controlled-access facility proper by means of all devices designated as necessary or desirable.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
