General Statutes of North Carolina, as published by the General Assembly	S.L. 2018-146, ss. 3.1(a), (b), 6.1 — twelfth act in the lineage	21 September 2026, 04:09 UTC	7f674b6cb6f26f9241900626 - e991cb62797c81fe4ef2016c - ef58fd6e850490dc

After the issuance of the certificate of organization of the soil and water conservation district by the Secretary of State, an election shall be held in each county of the district to elect the members of the soil and water conservation district board of supervisors as herein provided.

The district board of supervisors shall consist of three elective members to be elected in each county of the district, and that number of appointive members as provided in G.S. 139-7. Upon the creation of a district, the first election of the members shall be held at the next succeeding election for county officers.

All elections for members of the district board of supervisors shall be held at the same time as the regular election for county officers beginning in November 1974. The election shall be nonpartisan and no primary election shall be held. The election shall be held and conducted by the county board of elections.

Candidates shall file their notice of candidacy on forms prescribed by the county board of elections. The notice of candidacy must be filed no earlier than noon on the second Monday in June and no later than noon on the first Friday in July preceding the election. The candidate shall pay a filing fee of five dollars (\$5.00) at the time of filing the notice of candidacy.

Beginning with the election to be held in November 1974, the two candidates receiving the highest number of votes shall be elected for a term of four years, and the candidate receiving the next highest number of votes shall be elected for a term of two years; thereafter, as their terms expire, their successors shall be elected for terms of four years. If the position of district supervisor is not filled by failure to elect, then the office shall be deemed vacant upon the expiration of the term of the incumbent, and the office shall be filled as provided in G.S. 139-7.

The persons elected in 1974 and thereafter shall take office on the first Monday in December following their election.

The terms of the present members of the soil and water conservation districts, both elective and appointive members, are hereby extended to or terminated on the first Monday in December 1974.

All qualified voters of the district shall be eligible to vote in the election. Except as provided in this Chapter, the election shall be held in accordance with the applicable provisions of Articles 23 and 24 of Chapter 163 of the General Statutes.

The district board of supervisors, after the appointment of the appointive members has been made, shall select from its members a chairman, a vice-chairman and a secretary. It shall be the duty of the district board of supervisors to perform those powers, duties, and authority conferred upon supervisors under this Chapter; to develop annual county and district goals and plans for soil conservation work therein; to request agencies, whose duties are such as to render assistance in soil and water conservation, to set forth in writing what assistance they may have available in the county and district.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.
