General Statutes of North Carolina, as published by the General Assembly	S.L. 2011-145, s. 13.22A(m) — sixteen th act in the lineage	21 September 2026, 04:24 UTC	9d17c85fe9d1295dcde589ea - 399806c14c78535a73f20573 - 3de742bbb1be7967

The governing body of a soil and water conservation district shall consist of the three elective supervisors from the county or counties in the district, together with the appointive members appointed by the Soil and Water Conservation Commission pursuant to this section, and shall be known as the district board of supervisors. When a district is composed of less than four counties, the board of supervisors of each county shall on or before October 31, 1978, and on or before October 31 as the terms of the appointive supervisors expire, recommend in writing two persons from the district to the Commission to be appointed to serve with the elective supervisors. If the names are not submitted to the Commission as required, the office shall be deemed vacant on the date the term is set to expire and the Commission shall appoint two persons of the district to the district board of supervisors to serve with the elected supervisors. The Commission shall make its appointments prior to or at the November meeting of the Commission. Appointive supervisors shall take office on the first Monday in December following their appointment. Such appointive supervisors shall serve for a term of four years, and thereafter, as their terms expire, their successors shall serve for a term of four years. The terms of office of all appointive supervisors who have heretofore been lawfully appointed for terms the final year of which presently extends beyond the first Monday in December are hereby terminated on the first Monday in December of the final year of appointment. Vacancies for any reason in the appointive supervisors shall be filled for the unexpired term by the appointment of a person by the Commission from the district in which the vacancy occurs. Vacancies for any reason in the elected supervisors shall be filled for the unexpired term by appointment by the Commission of a person from the county in the district in which the vacancy occurs.

In those districts composed of four or more counties, the Commission may, but is not required to, appoint two persons from the district without recommendation from the board of supervisors, to serve as district

supervisors along with the elected members of the board of supervisors. Such appointments shall be made at the same time other appointments are made under this section, and the persons appointed shall serve for a term of four years.

The supervisors shall designate a chairman and may, from time to time, change such designation. A simple majority of the board shall constitute a quorum for the purpose of transacting the business of the board, and approval by a majority of those present shall be adequate for a determination of any matter before the board, provided at least a quorum is present. Supervisors of soil and water conservation districts shall be compensated for their services at the per diem rate and allowed travel, subsistence and other expenses, as provided for State boards, commissions and committees generally, under the provisions of G.S. 138-5; provided, that when per diem compensation and travel, subsistence, or other expense is claimed by any supervisor for services performed outside the district for which such supervisor ordinarily may be appointed or elected to serve, the same may not be paid unless prior written approval is obtained from the Department of Agriculture and Consumer Services.

The supervisors may employ a secretary, technical experts, whose qualifications shall be approved by the Department, and such other employees as they may require, and shall determine their qualifications, duties and compensation. The supervisors may call upon the Attorney General of the State for such legal services as they may require. The supervisors may delegate to their chairman, to one or more supervisors, or to one or more agents, or employees such powers and duties as they may deem proper. The supervisors shall furnish to the Soil and Water Conservation Commission, upon request, copies of such ordinances, rules, regulations, orders, contracts, forms, and other documents as they shall adopt or employ, and such other information concerning their activities as it may require in the performance of its duties under this Chapter.

The supervisors shall provide for the execution of surety bonds for all employees and officers who shall be entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, and orders issued or adopted; and shall provide for an annual audit of the accounts of receipts and disbursements. In any given year, if the supervisors provide for an internal audit, and the supervisor serving as chairman certifies, under oath, that this internal audit is a true and accurate reflection of the accounts of receipts and disbursements, then the supervisors shall not be required, notwithstanding the provisions of G.S. 159-34, to provide for an audit of the accounts of receipts and disbursements by a certified public accountant or by an accountant certified by the Local Government Commission. Any supervisor may be removed by the Soil and Water Conservation Commission upon notice and hearing, for neglect of duty, incompetence or malfeasance in office, but for no other reason.

The supervisors may invite the legislative body of any municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the supervisors of the district on all questions of program and policy which may affect the property, water supply, or other interests of such municipality or county.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.
