Any person who with intent to defraud shall obtain ambulance services without intending at the time of obtaining such services to pay, if financially able, any reasonable charges therefor shall be guilty of a Class 2 misdemeanor. A determination by the court that the recipient of such services has willfully failed to pay for the services rendered for a period of 90 days after request for payment, and that the recipient is financially able to do so, shall raise a presumption that the recipient at the time of obtaining the services intended to defraud the provider of the services and did not intend to pay for the services.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
