- § 14-208.14(a) The Department of Public Safety shall compile and keep current a central statewide sex offender registry. The Department is the State agency designated as the custodian of the statewide registry. As custodian the Department has the following responsibilities:
- (1) To receive from the sheriff or any other law enforcement agency or penal institution all sex offender registrations, changes of address, changes of academic or educational employment status, and prerelease notifications required under this Article or under federal law. The Department shall also receive notices of any violation of this Article, including a failure to register or a failure to report a change of address.
 - (2) To provide all need-to-know law enforcement agencies (local, State, campus, federal, and those located in other states) immediately upon receipt by the Department of any of the following: registration information, a prerelease notification, a change of address, a change of academic or educational employment status, or notice of a violation of this Article.

- (2a) To notify the appropriate law enforcement unit at an institution of higher education as soon as possible upon receipt by the Department of relevant information based on registration information or notice of a change of academic or educational employment status. If an institution of higher education does not have a law enforcement unit, then the Department shall provide the information to the local law enforcement agency that has jurisdiction for the campus.
- (3) To coordinate efforts among law enforcement agencies and penal institutions to ensure that the registration information, changes of address, change of name, prerelease notifications, and notices of failure to register or to report a change of address are conveyed in an appropriate and timely manner.
- (4) To provide public access to the statewide registry in accordance with this Article.
- (4a) To maintain the system for public access so that a registrant's full name, any aliases, and any legal name changes are cross-referenced and a member of the public may conduct a search of the system for a registrant under any of those names.
- (5) To maintain a system allowing an entity to access a list of online identifiers of persons in the central sex offender registry.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
