

ARTICLE 44 - REGULATION OF SALES

Sale of admission tickets in excess of printed price.

Any person, firm, or corporation shall be allowed to add a reasonable service fee to the face value of the tickets sold, and the person, firm, or corporation which sells or resells such tickets shall not be permitted to recoup funds greater than the combined face value of the ticket, tax, and the authorized service fee. This service fee may not exceed three dollars (\$3.00) for each ticket except that a promoter or operator of the property where the event is to be held and a ticket sales agency may agree in writing on a reasonable service fee greater than three dollars (\$3.00) for the first sale of tickets by the ticket sales agent. This service fee may be a pre-established amount per ticket or a percentage of each ticket. The existence of the service fee shall be made known to the public by printing or writing the amount of the fee on the tickets which are printed for the event. Any person, firm or corporation which sells or offers to sell a ticket for a price greater than the price permitted by this section or as permitted by G.S. 14-344.1 shall be guilty of a Class 2 misdemeanor.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
