- § 14-415.26(a)

In lieu of obtaining a permit under this Article, a qualified retired law enforcement officer may apply to the North Carolina Criminal Justice Education and Training Standards Commission for certification. The application shall include all of the following:

(1) Verification of completion of the firearms qualification criteria established by the Commission.

(2) Photographic identification indicating retirement status issued by the agency from which the applicant retired from service.

- § 14-415.26(b)

The Commission shall include with the certification a notice of the limitations applicable under federal or State law to the concealed carry of firearms in this State. - § 14-415.26(b1)

The Commission shall coordinate with local and State law enforcement officers and with the community college system to provide multiple firearms qualification sites throughout the State where a qualified retired law enforcement officer may satisfy the firearms qualification criteria required for certification under this section.
- § 14-415.26(c)

The Commission shall not incur any civil or criminal liability as the result of the performance of its duties under this section.

§ 14-415.26(d)

It shall be unlawful for an applicant, or any person assisting an applicant, to make a willful and intentional misrepresentation on any form or application submitted to the Commission. A violation of this subsection shall be a Class 2 misdemeanor, and shall result in the immediate revocation of any certification issued by the Commission. A person convicted under this subsection shall be ineligible for certification under this section, or from obtaining a concealed carry permit under State law.

§ 14-415.26(e)

This section shall not exempt any individual engaged in the private protective services profession in this State from fulfilling the registration and training requirements in Chapter 74C of the General Statutes. (2007-427, s. 4; 2009-546, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
