- § 14-7.30(a)

When an indictment charges a person with a felony offense of breaking and entering as provided by this Article and an indictment also charges that the person is a status offender, the defendant shall be tried for the principal offense of breaking and entering as provided by law. The indictment that the person is a status offender shall not be revealed to the jury unless the jury shall find that the defendant is guilty of the principal felony offense of breaking and entering with which the defendant is charged.
- § 14-7.30(b)

If the jury finds the defendant guilty of the felony offense of breaking and entering, the bill of indictment charging the defendant as a status offender may be presented to the same jury. Except that the same jury may be used, the proceedings shall be as if the issue of status offender were a principal charge.
- § 14-7.30(c)

If the jury finds that the defendant is a status offender, the trial judge shall enter judgment according to the provisions of this Article. If the jury finds that the defendant is not a status offender, the trial judge shall pronounce judgment on the principal felony offense of breaking and entering as provided by law. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
