§ 143-129.9(a) A political subdivision of the State may use any of the following methods to obtain competitive bids for the purchase of apparatus, supplies, materials, or equipment as an alternative to the otherwise applicable requirements in this Article:

- (1) Reverse auction. - For purposes of this section, "reverse auction" means a real-time purchasing process in which bidders compete to provide goods at the lowest selling price in an open and interactive environment. The bidders' prices may be revealed during the reverse auction. A reverse auction may be conducted by the political subdivision or by a third party under contract with the political subdivision. A political subdivision may also conduct a reverse auction through the State electronic procurement system, and compliance with the procedures and requirements of the State's reverse auction process satisfies the political subdivision's obligations under this Article.
- (2) Electronic bidding. - A political subdivision may receive bids electronically in addition to or instead of paper bids. Procedures for receipt of electronic bids for contracts that are subject to the requirements of G.S. 143-129 shall be designed to ensure the security, authenticity, and confidentiality of the bids to at least the same extent as is provided for with sealed paper bids.

§ 143-129.9(b) The requirements for advertisement of bidding opportunities, timeliness of the receipt of bids, the standard for the award of contracts, and all other requirements in this Article that are not inconsistent with the methods authorized in this section shall apply to contracts awarded under this section.

§ 143-129.9(c)

Reverse auctions shall not be utilized for the purchase or acquisition of construction aggregates, including, but not limited to, crushed stone, sand, and gravel. (2002-107, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
