§ 143-157.1(a) Appointments. - In appointing members to public bodies set forth in subsections (b) and (d) of this section, the appointing authority should select, from among the most qualified persons, those persons whose appointment would promote membership on the body that accurately reflects the proportion that each gender represents in the population of the State as a whole or, in the case of a local body, in the population of the area represented by the body, as determined pursuant to the most recent federal decennial census, unless the law regulating the appointment requires otherwise. § 143-157.1(b1) Retention of Applications. - Each appointing authority shall designate a person responsible for retaining all applications for appointment, who shall ensure that information related to each applicant's gender and qualifications is available for public

inspection during reasonable hours. Nothing in this section requires disclosure of an applicant's identity or of any other information made confidential by law.

§ 143-157.1(b2)

Use of Prescribed Form. - The Secretary of State shall prescribe the form to be used for submitting reports required under subsections (b) and (d) of this section and shall accept reports in an electronic format to be instituted by the Secretary of State. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
