§ 143-214.7D(a) As used in this section, the term "built-upon area" means impervious surface and partially impervious surface to the extent that the partially impervious surface does not allow water to infiltrate through the surface and into the subsoil.

§ 143-214.7D(b) For the purposes of implementing State or local government stormwater programs, none of the following surfaces shall be considered "built-upon area" or an impervious or partially impervious surface:

- (1) A slatted deck.
- (2) The water area of a swimming pool.
- (3) A surface of number 57 stone, as designated by the American Society for Testing and Materials, laid at least four inches thick over a geotextile fabric.
- (4) A trail as defined in G.S. 113A-85 that is either unpaved or paved as long as the pavement is porous with a hydraulic conductivity greater than 0.001 centimeters per second (1.41 inches per hour).
- (5) Landscaping material, including, but not limited to, gravel, mulch, sand, and vegetation, placed on areas that receive pedestrian or bicycle traffic or on portions of driveways and parking areas that will not be compacted by the weight of a vehicle, such as the area between sections of pavement that support the weight of a vehicle.

(6) Artificial turf, manufactured to allow water to drain through the backing of the turf, and installed according to the manufacturer's specifications over a pervious surface.

§ 143-214.7D(c) The owner or developer of a property may opt out of any of the exemptions from "built-upon area" set out in subsection (b) of this section.

§ 143-214.7D(d) Except as specifically required by federal law, a local government may not enact, implement, or enforce a local government ordinance, comprehensive plan, or stormwater program that establishes a definition of "built-upon area" or impervious surface that does not comply with subsection (b) of this section. This limitation shall apply regardless of any authority granted by G.S. 143-214.5, G.S. 143-214.7, or Chapters 153A, 160A, or 160D of the General Statutes.

§ 143-214.7D(e) The Commission may adopt rules to implement this section. (2024-49, s. 4.48(b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
