The Industrial Commission is authorized by such order to tax the costs against the loser in the same manner as costs are taxed by the superior court in civil actions. When a State department, institution, or agency appeals the decision rendered by the hearing commissioner to the full Commission, the State department, institution or agency shall furnish a copy of the transcript of the hearing to the appellee without cost therefor. The State department, institution or agency concerned is authorized and directed to pay such costs as may be taxed against it, including all costs heretofore taxed against such department, agency or institution.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
