§ 143-291.2(a) The Industrial Commission may by order tax the costs against the losing party in the same amount and the same manner as costs are taxed in the General Court of Justice. When a State department, institution, or agency appeals to the full commission the decision rendered by a hearing commissioner, the State department, institution, or agency shall furnish a copy of the transcript of the hearing to the appellee without cost. The State department, institution, or agency concerned may pay the costs taxed against it. When costs are not paid by a party from whom they are due, the Industrial Commission shall issue an execution for the costs and attach a bill of costs to each execution. The Sheriff shall levy upon the execution as provided in Chapter 6 of the General Statutes in civil actions.

§ 143-291.2(b) The Industrial Commission shall charge a filing fee for each affidavit initiating a claim filed under this Article in an amount equal to the filing fee charged for civil actions in the Superior Court Division of the General Court of Justice. No filing fee shall be required of indigent persons, provided each claim by an indigent complies with all statutory and administrative requirements applicable to the filing of civil actions by indigents in the Superior Court Division of the General Court of Justice. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
