For each claim payable during any fiscal year in excess of one hundred fifty thousand dollars (\$150,000) per claim arising under this Article, or Article 31A or 31B of this Chapter, on account of injury or damage to any one person, each State agency shall transfer to the Office of State Budget and Management its proportionate share of that agency's estimated lapsed salaries, as determined by the Director of the Budget, and the Director of the Budget shall use these transferred funds to pay the balance of that claim in excess of one hundred fifty thousand dollars (\$150,000). However, if the Director of the Budget determines that the agency liable for the claim has the resources to pay the full claim even though it exceeds one hundred fifty thousand dollars (\$150,000), then the Director of the Budget may, in the Director's discretion, require the agency to pay the full claim. Additionally, the Director of the Budget may, in the Director's discretion, limit the number of agencies required to transfer funds to the agency liable for the claim to pay the balance of the claim. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
