§ 143-443(a)

It shall be unlawful for any person to distribute, sell, or offer for sale within this State or deliver for transportation or transport in intrastate commerce or between points within this State through any point outside this State any of the following:

- (1) Any pesticide which has not been registered pursuant to the provisions of G.S. 143-442, or any pesticide if any of the claims made for it or any of the directions for its use differ in substance from the representations made in connection with the registration, or if the composition of a pesticide differs from its composition as represented in connection with its registration: Except that, in the discretion of the Board, a change in the labeling or formula of a pesticide may be made within a registration period without requiring reregistration of the product.
- (2) Any pesticide unless it is in the registrant's or the manufacturer's unbroken immediate container, and there is affixed to such container, and to the outside container or wrapper of the retail package, if there be one through which the required information on the immediate container cannot be clearly read, a label bearing:

a.The name and address of the manufacturer, registrant, or person for whom manufactured;

- (5) Any pesticide which is adulterated or misbranded, (or any device which is misbranded).
- (6) Any pesticide in containers violating regulations adopted pursuant to G.S. 143-441. Pesticides found in containers which are unsafe due to damage or defective construction may be seized and impounded.

It shall be unlawful:

- (1) For any person to detach, alter, deface, or destroy, in whole or in part, any label or labeling provided for in this Part or regulations promulgated hereunder, or to add any substance to, or take any substance from a pesticide in a manner that may defeat the purpose of this Part;

- (2) For any person to use for his own advantage or to reveal, other than to the Board or proper officials or employees of the State or federal government or to the courts of this State in response to a subpoena, or to physicians, or in emergencies to pharmacists and other qualified persons, for use in the preparation of antidotes, any information relative to formulas of products acquired by authority of G.S. 143-442.

- (5) For any person to distribute, sell or offer for sale any restricted use pesticide to any dealer who does not hold a valid North Carolina Pesticide Dealer License.
- (6) For any person to assault, resist, impede, intimidate, or interfere with any State employee while that employee is engaged in the performance of his or her duties under this Article.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
