- § 143-467(a)

The Board may require from a licensee or an applicant for a license under this Article evidence of his financial ability to properly indemnify persons suffering damage from the use or application of pesticides, in the form of a surety bond, liability insurance or cash deposit. The amount of this bond, insurance or deposit shall be determined by the Board, in light of the risk of damage. The indemnification requirements may extend to damage to persons and property from equipment used (including aircraft).
- § 143-467(b)

The Board may also require a reasonable performance bond with satisfactory surety to secure the performance of contractual obligations of the licensee, with respect to application of pesticides. Any person injured by the breach of any such obligation or any person damaged by pesticides or by equipment used in their application shall be entitled to sue on the bond in his own name in any court of competent jurisdiction to recover the damages he may have sustained.
- § 143-467(c)

Any regulations adopted by the Board pursuant to G.S. 143-461 to implement this section may provide for such conditions, limitations and requirements concerning the financial responsibility required by this section as the Board deems necessary, including but not limited to notice of reduction or cancellation of coverage, deductible provisions, and acceptability of surety. Such regulations may classify financial responsibility requirements according to the separate license classifications and subclassifications prescribed by the Board pursuant to G.S. 143-452 and the dealer category (Part 3 of this Article).

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
