General Statutes of North Carolina, as published by the General Assembly	S.L. 2001-220, s. 1 — fifth act in the lineage	21 September 2026, 02:06 UTC	cf51a122dea34d791591278f - 6cb6817e99f5098fc8ec7cb1 - ba2e2bbb163440b5

The North Carolina Medical Board shall determine the scope of practice for credentialed emergency medical services personnel regardless of other provisions of law by establishing the medical skills and medications that may be used by credentialed emergency medical services personnel at each level of patient care. No provision of Article 56 of Chapter 143 or Article 7 of Chapter 131E of the General Statutes shall be interpreted to require the North Carolina Medical Board to include any service within the scope of practice of any Emergency Medical Services provider, unless the North Carolina Medical Board determines that the emergency medical service personnel in question have the experience and training necessary to ensure the service can be provided in a safe manner.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
