§ 143-654(a) License and Permit Required. - Except for sanctioned amateur matches, it is unlawful for any person to act in this State as an announcer, contestant, judge, manager, matchmaker, promoter, referee, timekeeper, or second unless the person is licensed to do so under this Article. It is unlawful for a promoter to present a match in this State, other than a sanctioned amateur match, unless the promoter has a permit issued under this Article to do so. The Commission has the exclusive authority to issue, deny, suspend, or revoke any license or permit provided for in this Article.

§ 143-654(b) License. - All licenses issued under this Article shall be valid only during the calendar year in which they are issued, except contestant licenses shall be valid for one year from the date of issuance. A license for an announcer, contestant, judge, matchmaker, referee, timekeeper, or second shall be issued only to a natural person. A natural person shall not transfer or assign a license or change it into another name. A license for a manager or promoter may be issued to a corporation or partnership; provided, however, that all officers or partners shall submit an application for individual licensure, and only those officers or partners who are licensed shall be entitled to negotiate or sign contracts. The addition of a new officer or partner during the license period shall necessitate the filing of an application for individual licensure by the new officer or partner.

An applicant for a license shall file with the Commission the appropriate nonrefundable fee and any forms, documents, medical examinations, or exhibits the Commission may require in order to properly administer this Article. The information requested shall include the date of birth and social security number of each applicant as well as any other personal data necessary to positively identify the applicant and

may include the requirement of verification of any documents the Commission deems appropriate. A person may not participate under a fictitious or assumed name in any match unless the person has first registered the name with the Commission.

§ 143-654(c)

Surety Bond. - An applicant for a promoter's license must submit, in addition to any other forms, documents, or exhibits requested by the Commission, a surety bond payable to the Commission for the benefit of any person injured or damaged by (i) the promoter's failure to comply with any provision of this Article or any rules adopted by the Commission or (ii) the promoter's failure to fulfill the obligations of any contract related to the holding of a match. The surety bond shall be issued in an amount to be no less than ten thousand dollars (\$10,000). The amount of the surety bond shall be negotiable upon the sole discretion of the Commission. All surety bonds shall be upon forms approved and supplied by the Commission.

§ 143-654(d)

Permit. - A permit issued to a promoter under this Article is valid for a single match. An applicant for a permit shall file with the Commission the appropriate nonrefundable fee and any forms or documents the Commission may require.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
