The application shall identify current and ongoing needs and estimated costs associated with those needs.

§ 143B-1209.101(-d) Criteria and Guidelines. - By August 1 of each year in which funds are made available for the Program, the Executive Director of the Center for Safer Schools shall develop criteria and guidelines for the administration and use of the grants pursuant to this section, including any documentation required to be submitted by applicants. All other public school units shall be matched on the basis of two dollars (\$2.00) in State funds for every one dollar (\$1.00) in non-State funds.
- (2) Qualifying public school units may use these funds to employ school resource officers in elementary and middle schools, to train them, or both.
- (3) Training shall be provided, in partnership with the qualifying public school unit, by a community college, a local law enforcement agency, or the North Carolina Justice Academy. Any training shall include instruction on research into the social and cognitive development of elementary school and middle school children.

§ 143B-1209.101(-f)

Supplement Not Supplant. - Grants provided to qualifying public school units pursuant to the Program shall be used to supplement and not to supplant State or non-State funds already provided for these services.

§ 143B-1209.101(-g)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.
