As used in this Part the terms defined in this section shall have the following meaning:

Provided, that the requirement in the preceding sentence as to birth in North Carolina may be waived by the Department of Military and Veterans Affairs if it is shown to the satisfaction of the Department that the child's mother was a native-born resident of North Carolina and was such resident at the time of her marriage to the veteran and was outside the State temporarily at the time of the child's

birth, following which the child was returned to North Carolina within a reasonable period of time where said child has since lived continuously.

c.A person meeting either of the requirements set forth in subdivision (3) a or b above, and who is a child, as that term is defined in 37 U.S.C. § 401.

d.Vietnam era, meaning the period beginning on August 5, 1964, and ending on May 7, 1975.

e.Persian Gulf War, meaning the period beginning on August 2, 1990, and ending on the date prescribed by Presidential proclamation or concurrent resolution of the United States Congress.

"State educational institution" means any constituent institution of The University of North Carolina, or any community college operated under the provisions of Chapter 115D of the General Statutes of North Carolina.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
