The Veterans' Affairs Commission may contract with persons or other nongovernmental entities to operate each State veterans home. Contracts for the procurement of services to manage, administer, and operate any State veterans home shall be awarded on a competitive basis through the solicitation of proposals and through the procedures established by statute and the Division of Purchase and Contract. A contract may be awarded to the vendor whose proposal is most advantageous to the State, taking into consideration cost, program suitability, management plan, excellence of program design, key personnel, corporate or company resources, financial condition of the vendor, experience and past performance, and any other qualities deemed necessary by the Veterans' Affairs Commission and set out in the solicitation for proposals. COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
