- § 143B-1341(a)

The State CIO shall establish standardized documentation requirements for agency projects to include requests for proposal and contracts. The State CIO shall establish standards for project managers and project management assistants. The State CIO shall develop performance measures for project reporting and shall make this reporting available through a publicly accessible website.
- § 143B-1341(b)

Participating Agency Responsibilities. - The State CIO shall designate a Project Manager who shall select qualified personnel from the Department staff to participate in information technology project management, implementation, testing, and other activities for any information technology project. The Project Manager shall provide periodic reports to the project management assistant assigned to the project by the State CIO under subsection (d) of this section. The reports shall include information regarding the agency's business requirements, applicable laws and regulations, project costs, issues related to hardware, software, or training, projected and actual completion dates, and any other information related to the implementation of the information technology project.
- § 143B-1341(c)

Separate Agency Responsibilities. - Each agency shall provide for one or more project managers who meet the applicable quality assurance standards for each information technology project that is subject to approval by the State CIO. Each project manager shall be subject to the review and approval of the State CIO. Each agency project manager shall provide periodic reports to the project management assistant assigned to the project by the State CIO under this subsection. The reports shall include information regarding project costs; issues related to hardware, software, or training;

projected and actual completion dates; and any other information related to the implementation of the information technology project.

§ 143B-1341(d)

State CIO Responsibilities. - The State CIO shall provide a project management assistant from the Department for any approved separate agency project, whether the project is undertaken in single or multiple phases or components. The State CIO may designate a project management assistant for any other information technology project.

The project management assistant shall advise the agency with the initial planning of a project, the content and design of any request for proposals, contract development, procurement, and architectural and other technical reviews. The project management assistant shall also monitor progress in the development and implementation of the project and shall provide status reports to the agency and the State CIO, including recommendations regarding continued approval of the project.

The State CIO shall establish a clearly defined, standardized process for project management that includes time lines for completion of process requirements for both the Department and agencies. The State CIO shall also establish reporting requirements for information technology projects, both during the planning, development, and implementation process and following completion of the project. The State CIO shall continue to monitor system performance and financial aspects of each project after implementation. The State CIO shall also monitor any certification process required for State information technology projects and shall immediately report any issues associated with certification processes to the Joint Legislative Oversight Committee on Information Technology and the Fiscal Research Division. (2015-241, s. 7A.2(b); 2025-25, s. 29(5).)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
