**§ 143B-135.260(a)** The State may accept the dedication of nature preserves on lands deemed by the Secretary to qualify as outstanding natural areas. Nature preserves may be dedicated by voluntary act of the owner. The owner of a qualified natural area may transfer fee simple title or other interest in land to the State. Nature preserves may be acquired by gift, grant, or purchase. Dedication of a preserve shall become effective only upon acceptance of the articles of dedication by the State. Articles of dedication shall be recorded in the office of the register of deeds in the county or counties in which the natural area is located.

**§ 143B-135.260(b)** Articles of dedication may include any of the following:

- (1) Restrictions and other provisions relating to management, use, development, transfer, and public access, and any other restrictions and provisions as may be necessary or advisable to further the purposes of this Part.
- (2) Definitions, consistent with the purposes of this Part, of the respective rights and duties of the owner and of the State and procedures to be followed in case of violation of restrictions.
- (3) The recognition and creation of reversionary rights, transfers upon conditions or with limitations, and gifts over.
- (4) Varying provisions from one nature preserve to another in accordance with differences in the characteristics and conditions of the several areas.

**§ 143B-135.260(c)** Subject to the approval of the Governor and Council of State, the State may enter into amendments of any articles of dedication upon finding that the amendment will not

permit an impairment, disturbance, use, or development of the area inconsistent with the purposes of this Part. If the fee simple estate in the nature preserve is not held by the State under this Part, no amendment may be made without the written consent of the owner of the other interests therein.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
