- § 143B-1351(a)

All State agencies covered by this Article shall use contracts for information technology to include enterprise licensing agreements and convenience contracts established by the Department. The State CIO shall consult the agency heads prior to the initiation of any enterprise project or contract. Notwithstanding any other statute, the authority of State agencies to procure or obtain information technology shall be subject to compliance with the provisions of this Part.
- § 143B-1351(b)

Notwithstanding any other provision of law, local governmental entities may use the information technology programs, services, or contracts offered by the Department, including information technology procurement, in accordance with the statutes, policies, and rules of the Department. Local governmental entities are not required to comply with otherwise applicable competitive bidding requirements when using contracts established by the Department.
- § 143B-1351(c)

Any other State entities exempt from Part 3 or Part 5 of this Article may also use the information technology programs, services, or contracts offered by the Department, including information technology procurement, in accordance with the statutes, policies, and rules of the Department. (2015-241, s. 7A.2(b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
