- § 143B-1358(a)

The Department of Information Technology and the Department of Administration, with the administrative support of the Information Technology Strategic Sourcing Office, shall offer State and local governmental entities the option of purchasing refurbished computer equipment from registered computer equipment refurbishers whenever most appropriate to meet the needs of State and local governmental entities.
- § 143B-1358(b)

State and local governmental entities shall document savings resulting from the purchase of the refurbished computer equipment, including, but not limited to, the initial acquisition cost as well as operations and maintenance costs. These savings shall be reported quarterly to the Department of Information Technology.
- § 143B-1358(c)

The Information Technology Strategic Sourcing Office shall administer the refurbished computer equipment program by establishing a competitive purchasing process to support this initiative that meets all State information technology procurement laws and procedures and ensures that agencies receive the best value.
- § 143B-1358(d)

Participating computer equipment refurbishers must meet all procurement requirements established by the Department of Information Technology and the Department of Administration. (2015-241, s. 7A.2(b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
