Establishment of a relationship between the Division of Social Services and the Indian tribes set forth in G.S. 143B-407(a), either separately or through a central entity, that will enable these tribes, in general, and tribal councils or other tribal organizations, in particular, to receive reasonable notice of identified Indian children who are being placed in foster care or adoption or who otherwise enter the child protective services system, and to be consulted on policies and other matters pertinent to placement of Indian children in foster care or adoption.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
