- § 143B-139.5C(a)

The Secretary shall allow private sector development and implementation of an internet-based, secure, and consolidated data warehouse and archive for maintaining corporate, fiscal, and administrative records of providers by September 1, 2011. This data warehouse shall not be used to store consumer records. Use of the consolidated data warehouse by the service provider agency is optional. Providers that choose to utilize the data warehouse shall ensure that the data is up to date and accessible to the regulatory body. A provider shall submit any revised, updated information to the data warehouse within 10 business days after receiving the request. The regulatory body that conducts administrative monitoring must use the data warehouse for document requests. If the information provided to the regulatory body is not current or is unavailable from the data warehouse and archive, the regulatory body may contact the provider directly. A provider that fails to comply with the regulatory body's requested documents may be subject to an on-site visit to ensure compliance. Access to the data warehouse must be provided without charge to the regulatory body under this subsection.
- § 143B-139.5C(b)

The Secretary shall review on an annual basis updates to policy made by the following national accrediting bodies: Council on Accreditation (COA), CARF International, Council on Quality and Leadership (CQL), the Joint Commission, NCQA, and URAC and shall take actions necessary to ensure that DHHS policy or procedural

requirements do not duplicate the updated accreditation standards. (2011-253, ss. 1(c), 2; 2025-25, s. 29(3).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
