

CHAPTER 143B  
ARTICLE 15 - DEPARTMENT OF INFORMATION TECHNOLOGY

N.C.G.S. § 143B-1407.

PSAP Grant and Statewide 911 Projects Account; Next Generation 911 Reserve Fund.

|                                                                          |                                |                              |                                                                        |

| General Statutes of North Carolina, as published by the General Assembly | No amendment history on record | 21 September 2026, 02:21 UTC | 3b18185d8a10f06b94c49ad7 - 559f69a6b74000f0f2669526 - a109b7b6a0ff3f52 |

**§ 143B-1407(a)** Account and Fund Established. - A PSAP Grant and Statewide 911 Projects Account is established within the 911 Fund for the purpose of making grants to PSAPs in rural and other high-cost areas and funding projects that provide statewide benefits for 911 service. The PSAP Grant and Statewide 911 Projects Account consists of revenue allocated by the 911 Board under G.S. 143B-1406. The Next Generation 911 Reserve Fund is established as a special fund for the purpose of funding the implementation of the next generation 911 systems as approved by the 911 Board.

**§ 143B-1407(b)** PSAP Grant and Statewide 911 Projects Grant Application. - A PSAP may apply to the 911 Board for a grant from the PSAP Grant and Statewide 911 Projects Account. An application must be submitted in the manner prescribed by the 911 Board. The 911 Board may approve a grant application and enter into a grant agreement with a PSAP if it determines all of the following:

- (1) The costs estimated in the application are reasonable and have been or will be incurred for the purpose of promoting a cost-effective and efficient 911 system.
- (2) The expenses to be incurred by the applicant are consistent with the 911 State Plan.
- (3) There are sufficient funds available in the fiscal year in which the grant funds will be distributed.

- (4) The costs for consolidating one or more PSAPs with a primary PSAP, the relocation costs of primary PSAPs, or capital expenditures that enhance the 911 system, including costs not authorized under G.S. 143B-1406(e) and construction costs.

**§ 143B-1407(c)** PSAP Grant and Statewide 911 Projects Grant Agreement. - A PSAP Grant and Statewide 911 Projects agreement between the 911 Board and a PSAP must include the purpose of the grant, the time frame for implementing the project or program funded by the grant, the amount of the grant, and a provision for repaying grant funds if the PSAP fails to comply with any of the terms of the grant. The amount of the grant may vary among grantees. If the grant is intended to promote the deployment of enhanced 911 service in a rural area of the State, the grant agreement must specify how the funds will assist with this goal. The 911 Board must publish one or more notices each fiscal year advertising the availability of grants from the PSAP Grant and Statewide 911 Projects Account and detailing the application process, including the deadline for submitting applications, any required documents specifying costs, either incurred or anticipated, and evidence demonstrating the need for the grant. Any grant funds awarded to PSAPs under this section are in addition to any funds reimbursed under G.S. 143B-1406.

**§ 143B-1407(d)** Statewide 911 Projects. - The 911 Board may use funds from the PSAP Grant and Statewide 911 Projects Account and funds from the Next Generation 911 Reserve Fund for a statewide project if the Board determines the project meets all of the following requirements:

- (1) The project is consistent with the 911 plan.
- (2) The project is cost-effective and efficient when compared to the aggregated costs incurred by primary PSAPs for implementing individual projects.
- (3) The project is an eligible expense under G.S. 143B-1406(d).
- (4) The project will have statewide benefit for 911 service.

**§ 143B-1407(e)** Next Generation 911 Fund. - The 911 Board may use funds from the Next Generation 911 Fund to fund the implementation of next generation 911 systems. Notwithstanding Article 8 of Chapter 143C of the General Statutes, the 911 Board may expend funds from the Next Generation 911 Fund to provide for a single data network to serve PSAPs. The 911 Board may provide funds directly to primary PSAPs to implement next generation 911 systems. By October 1 of each year, the 911 Board

must report to the Joint Legislative Commission on Governmental Operations on the expenditures from the Next Generation 911 Fund for the prior fiscal year and on the planned expenditures from the Fund for the current fiscal year.

**§ 143B-1407(f)** Application to State Highway Patrol. - The State Highway Patrol is an eligible PSAP for purposes of applying to the 911 Board for a grant from the PSAP Grant and Statewide 911 Projects Account. This subsection applies to funds collected on or after July 1, 2017. (2007-383, s. 1(a); 2010-158, s. 8; 2015-241, s. 7A.3(2); 2015-261, s. 1(f); 2017-57, s. 16B.7; 2019-200, s. 7(g); 2023-137, s. 49(d).)

FULL SECTION

N.C. Gen. Stat. § 143B-1407 (2026).

PINPOINT

N.C. Gen. Stat. § 143B-1407(a) (2026).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
