The 911 Board must give written notice of violation to any communications service provider or PSAP found by the 911 Board to be using monies from the 911 Fund for purposes not authorized by this Part. Upon receipt of notice, the communications service provider or PSAP must cease making any unauthorized expenditures. The communications service provider or PSAP may petition the 911 Board for a hearing on the question of whether the expenditures were unauthorized, and the 911 Board must grant the request within a reasonable period of time. If, after the hearing, the 911 Board concludes the expenditures were in fact unauthorized, the 911 Board may require the communications service provider or PSAP to refund the monies improperly spent within 90 days. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
