§ 143B-146.2(a) The Secretary, in consultation with the General Assembly and the State Board, may designate residential schools that must participate in the Program. The primary goal of the Program is to improve student performance. The Program is based upon an accountability, recognition, assistance, and intervention process in order to hold each participating school, its principal, and the instructional personnel accountable for improved student performance in that school.

§ 143B-146.2(b) In order to support the participating schools in the implementation of this Program, the State Board, in consultation with the Secretary, shall adopt guidelines, including guidelines to:

- (1) Assist the Secretary and the participating schools in the development and implementation of the Program.
- (2) Recognize the participating schools that meet or exceed their goals.
- (3) Identify participating schools that are low-performing and assign assistance teams to those schools. The assistance teams should include individuals with expertise in residential schools, individuals with experience in the education of children with disabilities, and others the State Board, in consultation with the Secretary, considers appropriate.
- (4) Enable assistance teams to make appropriate recommendations.

§ 143B-146.2(c) The Program shall provide increased decision making and parental involvement at the school level with the goal of improving student performance.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
