No local matching funds may be required by the Department of Health and Human Services as a condition of any locality's receiving its initial allocation of child care funds unless federal law requires a match. If the Department reallocates additional funds above twenty-five thousand dollars (\$25,000) to local purchasing agencies beyond their initial allocation, local purchasing agencies must provide a twenty percent (20%) local match to receive the reallocated funds. Matching requirements shall not apply when funds are allocated because of an emergency as defined in G.S. 166A-19.3(6). (2017-57, s. 11B.6.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
