General Statutes of North Carolina, as published by the General Assembly	S.L. 2013-5, s. 1(c) — second act in the lineage	21 September 2026, 04:14 UTC	7def42cbc7728985c31cbcb7 - ea9f2cb647b3104210b4054d - d6c0a58c9f21216f

§ 143B-24(a) Except as otherwise provided by law, each principal State department may, with the approval of the Department of Administration, enter into cooperative agreements with the federal government, any state government, any agency of the State government, any local government of the State, jointly with any two or more, or severally, in carrying out its functions.

§ 143B-24(b) The General Assembly reserves the authority to define the State's level of interaction, if any, with the federally facilitated Health Benefit Exchange that will operate in the State. No department, agency, or institution of this State shall enter into any contracts or commit any resources for the provision of any services related to the federally facilitated Health Benefit Exchange under a "Partnership" Exchange model, except as authorized by the General Assembly. No department, agency, or institution of this State shall take any actions not authorized by the General Assembly toward the formation of a State-run Health Benefit Exchange. It is not the intent of this section to prohibit State-federal interaction that does not pursue a State-run Exchange or "Partnership" Exchange model.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
