§ 143B-437.59(a) If the business receiving a grant fails to meet or comply with any condition or requirement set forth in an agreement or with criteria developed by the Committee in consultation with the Attorney General, the Committee shall reduce the amount of the grant or the term of the agreement, may terminate the agreement, or both. The reduction in the amount or the term must, at a minimum, be proportional to the failure to comply measured relative to the condition or criterion with respect to which the failure occurred. The Committee may reduce the amount or term of a grant by formally approving a motion to reduce such grant in accordance with program policies adopted by the Committee for the treatment of failures by businesses to meet or comply with a condition or requirement set forth in the grant agreement, and it shall not be necessary to execute an amendment to the applicable grant agreement. The Committee shall notify any such affected business of the reduction to its grant payment, reflected in any such motion.

§ 143B-437.59(b) If a business fails to maintain employment at the levels stipulated in the agreement or otherwise fails to comply with any condition of the agreement for any two consecutive years:

- (1) If the business is still within the base period established by the Committee, the Committee shall withhold the grant payment for any consecutive year after the second consecutive year remaining in the base period in which the business fails to comply with any condition of the agreement, and the Committee may extend the base period for up to 24 additional months. Under no circumstances may the Committee extend the base period by more than a total of 24 months. In no event shall the term of the grant be extended beyond the date set by the Committee at the time the Committee awarded the grant.
- (2) If the business is no longer within the base period established by the Committee, the Committee shall terminate the agreement.

§ 143B-437.59(c) Notwithstanding the provisions of subsections (a) and (b) of this section, if the Committee finds that the business has manipulated or attempted to manipulate employee withholdings with the purpose of increasing the amount of a grant, the Committee shall immediately terminate the agreement and take action to recapture any grant funds disbursed in any year in which the Committee finds the business manipulated or attempted to manipulate employee withholdings with the purpose of increasing the amount of the grant. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
