A business may not receive an annual disbursement of a grant if, at the time of disbursement, the business has received a notice of an overdue tax debt and that overdue tax debt has not been satisfied or otherwise resolved. A business may receive an annual disbursement of a grant only after the Committee has certified that there are no outstanding overdue tax debts and that the business has met the terms and conditions of the agreement. A business that has met the terms of the agreement shall make an annual certification of this to the Committee. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
