It is the intent of the General Assembly to prevent juveniles who are at risk from becoming delinquent. The primary intent of this Subpart is to develop community-based alternatives to youth development centers and to provide community-based delinquency, substance abuse, and gang prevention strategies and programs. Additionally, it is the intent of the General Assembly to provide noninstitutional dispositional alternatives that will protect the community and the juveniles.

These programs and services shall be planned and organized at the community level and developed in partnership with the State. These planning efforts shall include appropriate representation from local government, local public and private agencies serving juveniles and their families, local business leaders, citizens with an interest in youth problems, youth representatives, and others as may be appropriate in a particular community. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
