The State Controller, in consultation with the State Auditor, shall establish comprehensive standards, policies, and procedures to ensure a strong and effective system of internal control within State government. These standards, policies, and procedures shall be made readily available to all State agencies, and the State Controller shall make appropriate education efforts to inform relevant State agency staffs of the standards, policies, procedures, and internal control best practices. These efforts shall include the development of training courses, manuals, and other information sources to promulgate internal control standards, policies, procedures, and best practices throughout all State agencies. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
