In order to facilitate successful reentry and improve judicial efficiency, the Division of Prisons of the Department of Adult Correction shall work with law enforcement, the district attorneys' offices, and the courts to develop a process by which, both at intake and before release, effort is made, for each inmate in custody, to identify all outstanding warrants on the inmate. The plan should seek to resolve inmates' outstanding warrants while in custody, whenever feasible. In the course of resolving an outstanding warrant while in custody, an inmate shall be notified of the outstanding warrant and his or her right to counsel if such a right exists. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
