§ 15-209(a) The county commissioners in each county in which a probation office exists shall provide, in or near the courthouse, suitable office space for those probation officers assigned to the county who have probationary caseloads and their administrative support. This requirement does not include management staff of the Division of Community Supervision and Reentry of the Department of Adult Correction, nonprobation staff, or other Division of Community Supervision and Reentry of the Department of Adult Correction employees.

§ 15-209(b) If a county is unable to provide the space required under subsection (a) of this section for any reason, it may elect to request that the Division of Community Supervision and Reentry of the Department of Adult Correction lease space for the probation office and receive reimbursement from the county for the leased space. If a county fails to reimburse the Division for such leased space, the Secretary of Adult Correction may request that the Administrative Office of the Courts transfer the unpaid amount to the Division from the county's court and jail facility fee remittances.

PINPOINT

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
