§ 150B-21.17(a) Content. - The Codifier of Rules must publish the North Carolina Register. The North Carolina Register must be published at least two times a month and must contain the following:

§ 150B-21.17(b) Form. - When an agency publishes notice in the North Carolina Register of the proposed text of a new rule, the Codifier of Rules must publish the complete text of the

proposed new rule. In publishing the text of a proposed new rule, the Codifier must indicate the rule is new by underlining the proposed text of the rule.

When an agency publishes notice in the North Carolina Register of the proposed text of an amendment to an existing rule, the Codifier must publish the complete text of the rule that is being amended unless the Codifier determines that publication of the complete text of the rule being amended is not necessary to enable the reader to understand the proposed amendment. In publishing the text of a proposed amendment to a rule, the Codifier must indicate deleted text with overstrikes and added text with underlines.

When an agency publishes notice in the North Carolina Register of the proposed repeal of an existing rule, the Codifier must publish the complete text of the rule the agency proposes to repeal unless the Codifier determines that publication of the complete text is impractical. In publishing the text of a rule the agency proposes to repeal, the Codifier must indicate the rule is to be repealed.

§ 150B-21.17(c)

The Codifier may authorize and license the private indexing, marketing, sales, reproduction, and distribution of the Register.

PINPOINT

N.C. Gen. Stat. § 150B-21.17(a) (2011).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
