In adopting permanent rules that would increase or decrease the expenditures or revenues of a unit of local government, the agency shall consider the timing for implementation of the proposed rule as part of the preparation of the fiscal note required by G.S. 150B-21.4(b). If the computation of costs in a fiscal note indicates that the proposed rule change will disrupt the budget process as set out in the Local Government Budget and Fiscal Control Act, Article 3 of Chapter 159 of the General Statutes, the agency shall specify the effective date of the change as July 1 following the date the change would otherwise become effective under G.S. 150B-21.3.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
